

BROOKLINE POLICE DEPARTMENT  
CITIZENS' POLICE ACADEMY  
APPLICATION

The Brookline Police Department's Citizen's Police Academy is an educational program designed to offer an opportunity to learn about the Brookline Police Department's practices and services. This program is not intended to train participants to perform law enforcement duties, but to create a nucleus of citizens who are well informed about the department's operations. The training is structured to provide classroom instruction, tours and demonstrations of the various units of the Brookline Police Department. Participants will also have the option of completing a ride-along in a marked patrol cruiser. Applicants may be subject to background checks prior to acceptance into the Academy and will be notified upon acceptance. If you have any additional questions, please call Officer Pilot at (617) 730-2787.
